# MST Summer Camps

## 26 May– 5 August

### Week 1: May 26-29 Let's Get Physical Xtreme Sports Camp

Do you like sports? Then this is the week for you. Play soccer, basketball, volleyball, swimming, football and Frisbee golf. This fun-filled week is packed with great games and non-stop action. Be sure to get a good night's sleep so you can play like a champion!

### Week 2: June 1-5 : Web Design Camp

Interested in creating your very own web page? This week we will dive into the world of technology and learn how to create and maintain a web page. Internet safety will also be covered. Boys and Girls of America Digital Arts Curriculum will be incorporated in this week's camp.

### Week 3: June 8-12 : Super Soakin' Week

How are you going to beat the heat this summer? By coming to our Super Soakin' Week, that's how! We will experience water and wacky fun all week, including our slip n' slide, a pool party, underwater scavenger hunt and a trip to San Dimas Raging Waters Park. **(\$30 separate fee)** Bring a swimsuit and towel and be prepared to get wet.

### Week 4: June 15-19: Iron Chef Week

Specially designed for those who love to cook, this week will be packed with tasty dishes and desserts. Youth will learn the basics of cooking and meal preparation and will compete with other teams to determine who rules the kitchen!

### Week 5: June 22-26: Picture Perfect Week

This week is perfect for those who love photography! Learn and practice photography. Express yourself in creative and innovative ways! Edit and enhance your photos to create the perfect slideshow to share at the end of the week.

### Week 6: June 29-July3: Arts & Crafts

Come and explore your creative side as you participate in ceramics, painting, scrapbooking, sewing and sketching.

### Week 7: July 6-10 : Blockbuster Week

Love movies? Be the director of your own show as we explore the world of movie-making. Writing your own script, filming, then editing will be the focus of this week. Boys and Girls Club of America Movie Tech Curriculum will be incorporated in this camp. We will also be visiting Universal Studios **(separate fee required)**.

### Week 8: July 13-17 : The Amazing Race

Join us this week for an Amazing Race. Teamwork is what you will need to complete relays, conquer challenges and finish this Amazing Race.

### Week 9: CSI Forensic Science Camp

Learn the world of CSI and be exposed to what evidence can tell you at a crime scene. Youth will learn basic principals of forensic science through hands-on activities and field trips to CID. Our mock crime scenes will be tons of fun to solve.

### Week 10: July 27-31: Adventure Week

Back by popular demand, Adventure Week promises to be a lot of fun! Youth will enjoy the last full week of summer with activities such as bowling, paintball, scavenger hunts, and an off-post field trip **(separate fee required)**.

### Week 11: August 3-5: Best of the Best Week

What activities did you enjoy with us this summer? This week, we will bring back the best activities of the summer as we wind down and prepare for a new school year.

## THINGS TO KNOW
